

Every fifth roll is **Certain-teed**

The General says:—

"There are different ways of speculating—and one of the easiest ways to burn up your money is to buy an unknown grade, a 'just as good' grade on a fake-guaranteed grade of roofing."

# Certain-teed

A man without money or responsibility can "guarantee" anything without running any financial risk—but when you as the purchaser of roofing—that's why you should insist on **Certain-teed**.

### THE LATEST.

Lord Kitchener, at the request of his colleagues, has left England for a short visit to the Eastern theater of war. This announcement, made last evening after a Cabinet council, an unusual meeting for Saturday—and a long audience with Premier Asquith, had with the King, set at rest the rumors current as to the War Secretary's present intentions.

The Balkan campaign is apparently nearing a climax. Nish, the fortified city so long the Serbian temporary capital, has fallen before the Bulgarian thrust from the east. Kraljevo on the western frontier has been taken. Varvarin was captured and with it more than 2,000 Serbians, while at Krivovar the Bulgarian and the Teutonic forces have formed a new junction.

With harrowing stories of their experiences at the hands of Gen. Villa, who, they declared, threatened them to die, and now ordered them put in front in a proposed artillery attack on Douglas, four Americans arrived on American soil at Naco, Ariz.

That food prices in Germany have increased to an unbearable extent and winter threatens dire results, especially among the laboring class, was the import of a proclamation of the newspaper of the Socialist Democratic party in Germany.

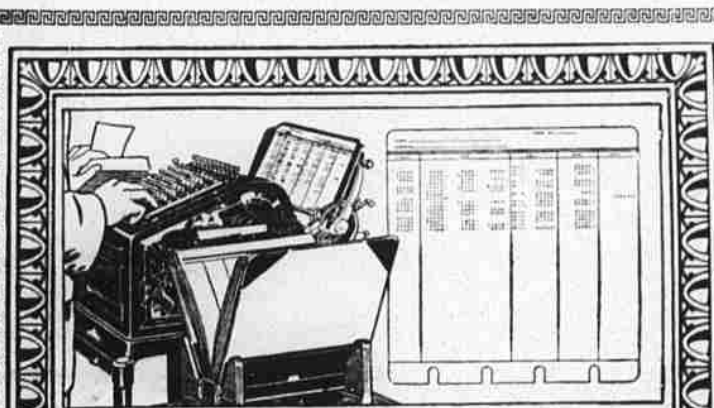

P. A. B. Widener, noted Philadelphia financier, who began as a boyhood, and made millions in trust funds, died at his home at the age of 51 years. His collection of pictures is one of the finest private collections in America.

Twelve men and girls are dead and thirteen others are missing as the result of a factory fire in Brooklyn yesterday. Many of the forty injured are the result of leaping from windows as expected to die.

Nine hundred Irish were prevented from sailing from Liverpool for New York after a riot in which they were called "wards" and "traitors" and two were knocked down by women.

That fifteen out of eighteen provinces in China favor restoration of the monarchy was explained by the Foreign Minister in reply to an international request for postponement.

## Errors are Ancient History

Error-proof bookkeeping is just as necessary for the protection of your money on deposit with us as is a modern, burglar-proof safe. The Burroughs Bookkeeping Machine which we are using in our accounting department, handles the bookkeeping work with absolute accuracy. Its figuring is done by parts of hardened steel—can't make a mistake. Errors in the handling of our depositors' accounts are ancient history since we have been using this modern equipment.

This extra safeguard in handling the figures which represent your transactions

with us is just one of the ways in which we are prepared to give you service. Another service we offer is consultation and advice in the business affairs of our customers, when such help is asked for. Talk over your business and financial problems with us—any officer of this bank will be glad to consult with you on such matters at any time. Often we are able to make helpful suggestions. Any service, consistent with good banking practice, which is in the power of this bank to offer you will be given freely and cheerfully at any time.
